Re: Extension of Filing Deadline for 2009 Annual Operations Reports

Dear Ms. Tonsing:

On March 17, 2010, we received your request on behalf of Tanana Power Co., Inc. (TPC) and Yukon Telephone Co., Inc. (YTC) to be allowed to delay submission of their 2009 annual reports until **April 30, 2010**. We reviewed your request and determined that the extension should be conditionally granted.

You indicated that TPC and YTC do not have the completed 2009 financial statements from the auditors. We remind TPC and YTC that the filing of its annual report **within 90 days** after the end of its annual accounting period is required by statute (AS 42.05.451) and that statute does not require that annual reports be audited. However, in view that extensions granted in previous years may have implied that delayed audits are good cause for extensions, we will conditionally grant your request.

We grant TPC and YTC an extension of the Annual Report filing deadline until **April 30, 2010**, with the condition that by **March 31, 2010**, TPC and YTC shall report to the Commission the selected annual report data requested in our Utility Annual Report Online website at <http://www.rca.alaska.gov>.

TPC and YTC's attention to the complete preparation of its annual report is appreciated. If TPC and/or YTC have any questions regarding the content of this Letter Order, please contact Tyler Clark, Utility Financial Analyst, at (907) 263-2103.

BY DIRECTION OF THE COMMISSION

Sincerely,
REGULATORY COMMISSION OF ALASKA
